ST. RITA HIGH SCHOOL

CHICAGO, ILLINOIS

1985

VOLUME 48

The purpose of a good education is to bring out the best qualities in each individual. The Catholic education provided by St. Rita High School helps the St. Rita student to realize his unique qualities and God-given gifts. The different areas of study and extracurricular activities help to form the complete person, just as the pieces of a puzzle form a complete picture when the pieces are assembled.

Through religion, the first piece of the puzzle, a student becomes able to better develop his life and to see his own personal truth, which makes it easier to build a strong relationship with God, who is the Truth. The academic work at St. Rita helps make students more human and sensitive and aware; it will also prepare them for later life and their continuing search for Truth. Sports spark competition and help students to learn to handle the pressures of life. The puzzle is complete with clubs which enable students to become socially comfortable and provide an opportunity to develop new friendships.

Each year another picture becomes complete when a senior class graduates. These graduates have taken the completed picture, their education at St. Rita High School, and have gone on to tackle an even bigger puzzle called life.

CHORUS SINGS ON

According to director and moderator, Br. Mark Thedens, O.S.A., "The members of the chorus are all hard-working and dedicated to the progress and success of the group. This year, the chorus had a drought of appearances, but we hope to come back strong. I was disappointed at this mainly because of the talent of these young men being wasted this year." Many long morning hours have helped to keep the group alive and in high spirits.

RESTROOMS

STUDENT COUNCIL

According to Br. Frank Paduch, moderator, "This is the best council I have ran and also one of the smoothest. The council under President Paul Thibodeaux ran two successful Battle of the Bands, Homecoming Week, Pride Week, and other major events. The council also held a Blood Drive for the first time in which over two hundred students gave blood."

KNIGHTS OF AUGUSTINE

The Knights of Augustine School Fraternity had an off-setting year due to some changes which occurred according to moderator, Fr. Walter McNicholas, "In upcoming years, the K of A will strive to be an assistance to the school, families of students, and the local community."

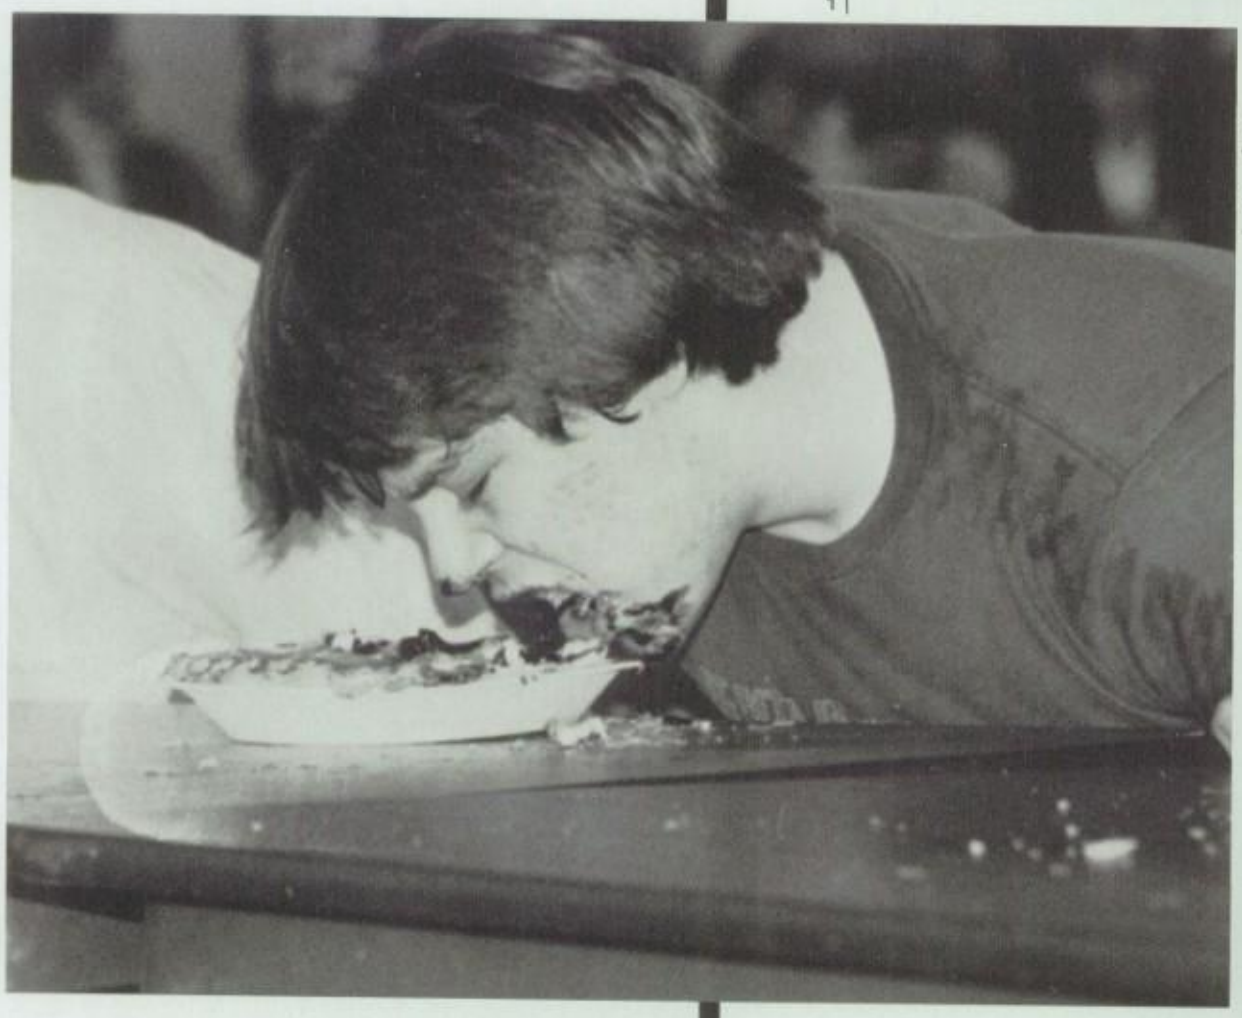
INSCAPE

Inscape, the school's literary journal was a great success this year due mainly to the offering of prize money to the students for their contribution of poetry, original short stories, drawing, etc.

According to moderator, Ms. Linda Marach, "The journal received an overwhelming number of contributions due to the change of policy, and is seen as a sign that future issues will also be equally successful as this year's journal."

ELECTRONICS CLUB

"The club is designed for the students wishing to learn more about radios and the power of electronics in an atmosphere that is relaxing to the students, but also educational," according to Fr. Pazera, moderator.



1. Mrs. Byrne wishes Fr. Senke a happy birthday.
2. Pride Week activities include pie-eating contests.
3. The French Club tours France.

11

SPEECH AND DRAMA

"Since the founding of this club five years ago, this was the first year that a spring show was not put on because of dates and the proper facilities weren't available," stated moderator Ms. Sally Zepeda.

"My kids are upset that a year was wasted because of no facilities for proper practices and my kids are too professional to work in lousy acoustics," says Ms. Zepeda, "I hope we can put on a show next year and have the proper facilities for my members."

LES VOYAGEURS

"The French Club's main purpose is to get students involved in the French culture and language beyond the classroom, through dinner at French restaurants, movies, and conversational seminars, according to first year moderator Ms. Paula Strupeck. Ms. Strupeck hopes the participation in the club increases throughout the student body so they can also appreciate the French culture and their society. "The highlight of this year was a trip to France with other French students across the country over Easter vacation," says Ms. Strupeck.

GUITAR

"The Guitar Club has improved greatly over the past three years," said moderator Mr. Don Gray. "The members have improved through the use of mixers, equalizers, and their own dedication of playing the guitar. The members gain experience through music shows and concerts at junior high schools. This gives the right atmosphere for the club members," says Mr. Gray.

1. Battle of the Bands contestant.
2. Alumni Hall of Fame induction ceremony.
3. Rita faculty pose as D.J.'s.

CIVIL AIR PATROL

"The Civil Air Patrol in its first year here at St. Rita has been a success because of the leadership power that St. Rita men possess," states Second Lieutenant Ms. Kunatz.

"Students can learn the basics of aviation through test, orientation flights, and also leadership can be gained by attending meetings every week. The Rita men enjoy having this club since the Aviation Club was dropped, and I hope that more men will enlist in C.A.P."

RACQUETBALL

"The Racquetball Club in its second year at St. Rita is still growing," according to moderator Mr. Jim Segredo.

The Racquetball Club meets twice a week at Evergreen Bath and Tennis Club to practice, and with over thirty active members, they can improve their skill and teach the fundamentals of the game to the students wishing to play.

Mr. Segredo hopes the club will still enlarge and the club may enter tournaments against other Catholic high schools.

CHESS

The Chess Club provides students the opportunity to learn the skills and get the experience in the intense game of Chess.

The best members of the team represent the school in the Catholic League. "The team had a very disappointing season," explains moderator Mr. Ron Dvorak. "This year the team is composed of many young inexperienced members, who have improved all year."

1. John Lebak lights up on the President's Day Ski trip.
2. Mr. Jim Segredo serves Alumni during homecoming.
3. Mrs. Doris Taheny starts another busy day.

1↑

STUDENT BROADCASTING SYSTEM

The Student Broadcasting System is designed to give students actual experience on working with an array of equipment. Students learn the use of managing and speaking during live radio shows presented during the lunch periods.

"The S.B.S. is still running smoothly due mainly to the participation of the students," according to moderator Mr Jim Misiora, "and I hope participation will increase for a better system in the future years.

WAR GAMES CLUB

"The kids are all interested in playing action games such as Stratego, Risk, Divine Right, Dungeons and Dragons, and even miniature combat," says Mr. Edmund Brongiel. "This club has more freedom than most clubs and I think many of the members think that the War Games Club is an adventure."

RITAN

"The students are professional," states Mr. Donald Racky, moderator, "When my great editors graduated, I hoped the young editors could replace the old and they did with no slack."

For the eighth straight year the Ritan has been rated one of the top 100 papers throughout the nation and according to Mr. Racky, "I am proud of this and the accomplishments by my staff, but I still dream of receiving the best paper award possible for a high school."

2↑

3↑

1. Band Boosters Christmas Dance was enjoyed by all.
2. Father Murphy confers with Father's Club member.
3. Mr. Bamberger and Fr. Murphy lead the homecoming parade.

TRIVIAL PURSIUT

"The kids enjoy having a competition of the minds over trivia," explains Mr. Ron Nowak, moderator. "This club meets every week so not only the loyal students can have a mind race, but also teachers such as myself and Mr. Dvorak, Ms. Strupeck and others can enjoy playing to get more knowledge and also to compete against the students."

ADULT ORGANIZATIONS

The Adult organizations here at St. Rita play a key role every year in the smooth running of the school and in the school's events.

The different adult groups all support the school's functions financially and morally. Such organizations as the Alumni Association, keep the alumni informed of the school both academically and physically. The Association played a major role in the starting of a Wrestling program and in Project "85" and Rita Fest.

The Hockey and Band Boosters are composed mainly to bring parents closer together in the Rita Family. The boosters are a main source of moral support to the player and they help financially for the awards given to outstanding members and for transportation of the groups. Without the Boosters, the Hockey and Band programs wouldn't be as successful as they have been.

The parent organizations such as the Father's Club and Mother's Club play a significant role in the running of the school's events.

1. Seniors enjoy the Hawaiian Dance.
2. Father's Club members help out at a basketball game.
3. Fr. McNicholas blesses St. Rita students at Ash Wednesday services.

"The Father's Club members again had a successful year although membership was down with great ushering at different events, a family Bowling Nite, a Football Banquet, and a St. Patrick/St. Joseph Dinner Dance," explains Father's Club moderator Br. Jack Hibbard. "The Father's Club is trying to exclude the image that they are just for sports, but they are for the entire student body."

The Mother's Club under the direction of Fr. Flach had another successful year although the membership was down; the attendance at the meetings was up, which enabled the Mothers to run great senior mug drive, Volleyball Night, and one of the best and largest fashion shows ever. "I am looking forward to many more fine years by the Mother's Club," explained Fr. Flach.

The organizations, over-all were all a great success, and all moderators are looking forward to many more years of activity.

NORTH CATHOLIC LEAGUE CHAMPIONS

With a North Catholic League championship and an overall record of 9-2, head football coach Pat Cronin finished his 16-year career at St. Rita. The team lost in the first game of the state playoffs at Downers Grove South, but there were some big successes during the rest of the year, like a 28-11 upset of defensive powerhouse Gordon Tech on the road.

"We just completely dominated a good football team," said assistant coach Jim Angsten. "Coach Cronin used to say that you win with senior leadership, and that's exactly what we got this year."

Some of those seniors included all-state running back Paul Thibodeaux who had 17 touchdowns this year, quarterback Jim Johnson, Ross Weissenhofer, Tim Walsh, Pat Quinn, Paul Mauksch, and Joe Gucwa.

Good play from juniors John Foley, Jason Ciegelski, John Zaleski, and Eddie Randle helped make the seniors' job easier. "I thought our juniors matured very quickly," said assistant coach Marty Quinn.

Coach Quinn summed up the feelings of everyone involved in Coach Cronin's final games, "Working for Coach Cronin, knowing it was his last season was a great experience not only for me but for everyone who worked for him."

OUTSTANDING SEASON FOR RUNNING MUSTANGS

The St. Rita basketball program made a big step forward this year in the eyes of head coach Jim Prunty. The team doubled its amount of wins from the previous season as the Mustangs finished with a record of 14-10, but lost to eventual state champion Mt. Carmel in the regional quarter-finals. Despite this year's big improvement, Coach Prunty believes even better days are ahead. "I'm only partially satisfied with this season," said Coach Prunty.

"I do think though, that we made a big step towards being a top-25 type of team, a major power in the city." One reason for Coach Prunty's optimism was the team's victories during the regular season over Mt. Carmel and state-ranked Leo. "Those were the highlights of our season — beating those teams in their own gyms."

"The steady play from seniors Bill Eaheart, Tim Walsh, Alonzo Dunlap, Don Shedrick, and Jim Johnson helped us a lot this year." Rita's most improved player was probably junior Darrell Glenn, and junior Jim O'Boye helped spark the Mustangs, sometimes starting; sometimes off the bench. Another major force was freshman Curtis Price, whom Coach Prunty believes is one of the best freshmen around.

"I think St. Rita's capable of being a real basketball power, not just a football and baseball power," added Coach Prunty. "Not much is expected from basketball here. I'm trying to change that."

HOCKEY

REBUILDING STRENGTH

"The team had a good attitude and played very hard," said head coach Mr. Jim Misiora of the 1984-85 hockey team. "They never gave up even though they struggled a lot."

Finishing fourth in the Catholic League with a league record of 10-6-5, Rita slipped from a 20-1-0 record and first place with the loss of all its key players from last year's team.

Rita then lost to Mt. Carmel in the semi-finals of the Kennedy Cup play-offs and lost a very exciting, tough game to Hoffman Estates 7-6 in triple overtime in the state play-offs.

"It's nice to be able to say that we were rebuilding and were still able to finish in the top half of the league," said Coach Misiora.

Senior Rich Baran led the Skating Mustangs by being named Catholic League MVP and put on the All-State Team. Seniors Baran, Mike Nesnidal, Brian Sheedy, Ron Bedore and freshman Paul Basic were all honored by being on the Catholic League All-Star Team.

"We were able to dress six freshmen almost every game which provides a very positive outlook toward the future," finished Coach Misiora.

CROSS COUNTY

BEST YEAR YET!

The best team finish in school history — simply put, that was the result of head coach Guy Hofer's last season in charge of the cross-country team. The Mustangs finished third in the IHSA regionals and ninth in the sectionals after coming in seventh in the Catholic League.

Coach Guy Hofer, who led the team for nine years after being a runner for St. Rita as a student, is pleased with the team's progress. "When I ran as a student, cross-country was in the background," said Coach Hofer, "Now cross-country is recognized by the students, faculty, and administration."

Team captains Ed Hurley and Tom Garvey, this year's MPV, were major contributors to the team's effort. Wayne Thomas award winners Lance Spiotto and Armando Vega, both juniors, were also factors in the team's success. Along with junior Bob Dvoran and sophomore Mark Godsel who Coach Hofer called "by far, one of the best sophomores I've ever seen."

The underclassmen also enjoyed success as the sophomores finished third in the Catholic League and the freshmen came in sixth. "With three strong juniors coming back and strong underclassmen," said Coach Hofer, "next year's team looks like the best returning team yet."

SOCCER

INJURIES PLAGUE SEASON

Injuries stopped this year's Kicking Mustangs in the state playoffs. "During the first game against Laurence, which we lost, we had seven of our eleven starters hurt," said head coach Br. Frank Paduch. St. Rita finished 3-3 in the Catholic League with a 8-5-2 record.

Senior Emil Radosztics led the Mustangs with five hat tricks, breaking former Rita Star John Niestrom's school record of three.

"The soccer team has become respectable. We have to start recruiting players who have experience. These players help build state teams. Otherwise your program is based on teaching and you'll only be 500 or a little above," said Br. Frank.

"All my players have gone to college and half of them play. I have coached three players that now captain college teams. I've also produced seven college coaches and twelve high school coaches.

"Next year we'll be extremely young and have a tough schedule. A lot of juniors and sophomores will be on the varsity," said Br. Frank. "We'll use next year to get these players experience."

WRESTLING

NEW SPORT DEBUTS

"Finally, St. Rita has started a wrestling program," stated Athletic Director Br. Frank Paduch, "for many years, the students and faculty had wanted a program here, but due to financial circumstances, it was always postponed. Then the Parent Organizations got together and purchased the mats and uniforms and I got coaches Mr. Jack Ferraro and Mr. Don Krystof, who are both dedicated to success."

"This year we only had a junior-varsity and frosh-soph team mainly because only a few members had previous wrestling experience," according to junior-varsity coach Jack Ferraro. "Since the beginning of the season, the team has improved 100%, both on the J.V. and the frosh-soph levels, due to great leadership by J.V. Captain Javier Lebron, Darryl Graham, and frosh-soph Captain Joe Cichy."

Wrestling is an endurance sport — it takes hard work and many hours of practice. The season started with an eighty plus member squad, but the team was cut in half because of the hard work needed to be successful in this sport.

Coach Jack Ferraro is looking for a successful varsity season next year, with the return of Javier Lebron, Wrestler of the Year, Darryl Graham, Shawn Spain, Carlos Molina, and Eric Howard. Mr. Don Krystof coach of the frosh-soph team is hoping for a successful season next year with returning Jeff Montes, Brian Konieczki, Ray Kosiek, and Captain Joe Cichy.

GOLF

NEW-FOUND RESPECTABLITY

The St. Rita golf team continued its new-found respectability as the team finished 6-7 in dual meets. Two years ago was the first time the program had ever won a match — now the team has won 13 matches in two years.

Seniors and three-year members Tom Kozubowski and Tom Turkowski led the way in the team's near .500 season. Kozubowski shot an 80 in the Catholic League meet, placing him 12th out of 41 golfers. Turkowski shot an 85, putting him in 20th. Promising freshman Jack Johnson won the Wayne Thomas Award, and freshman Bob Rusch and sophomore Scott Vrbancic "both did very well," according to head coach Jim Prunty.

"The highlight of our season was our victory over St. Laurence for the first time," said Coach Prunty, "they usually have a pretty good program. We have a tough time competing against suburban schools because of the differences in economic backgrounds, but when we play teams like Argo and Proviso East who are in the same situation we're in, we do very well."

BASEBALL SHINES THROUGH SLUMP

Finishing the Catholic League season in third place wasn't among the plans of the Swinging Mustangs. Banging 11 wins in a row to start the season, the Mustangs wound up with a 25-12 record going to the state playoffs.

Beating Reavis in the first state playoff game avenged Rita's loss to Reavis last year in the playoffs. The Mustangs also got revenge for an earlier Catholic League loss to St. Laurence.

Despite the mid-season slump by the Mustangs, head coach Mr. Mike Moyzis hit a high in his career here at Rita by winning his 200th game. The victory was part of the Mustangs' undefeated tour of Kentucky and part of the 11-0 start.

Five Rita players were named to the all-tournament team in Kentucky: seniors J.C. Pell, Tony Serritella, John Flanagan, Ron Biga and Al Metke.

Rita started the season ranked second in the area and as high as ninth in collegiate polls, but dropped as they lost. However, it takes more than dropping in ranks to knock Rita out of the playoffs as they have proved against Laurence and Reavis.

TRACK

COACH SEES PROMISE DESPITE LOSSES

Despite a last-place finish in the Catholic League, first-year head coach Mr. Vit Briedis saw some good signs from this year's track team. "I thought the feeling was good among the young guys."

Coach Briedis was talking about young members such as freshmen Rich Minifee, Tim Olson, Bob Baniewicz, and sophomores Dave Hanes and Bob Fenlow. They were some of the newcomers whom coach Briedis is counting on to help him build a winning spirit at Rita. They were helped along by captains Darrel Watkins, Ben Williams, Tom Garvey, and Ed Norwood, all of whom coach Briedis felt did a good job in leading the team and thus helping others develop.

"I'm looking for good things from our freshmen and sophomores next year," said coach Briedis. "They will already be good next year, and in three or four years I think our varsity will be good contenders. We've shown a lot of promise — the big thing I want to do is bring consistency to the program so that the team doesn't have to adjust to a new coach every year. The important thing is to not get discouraged."

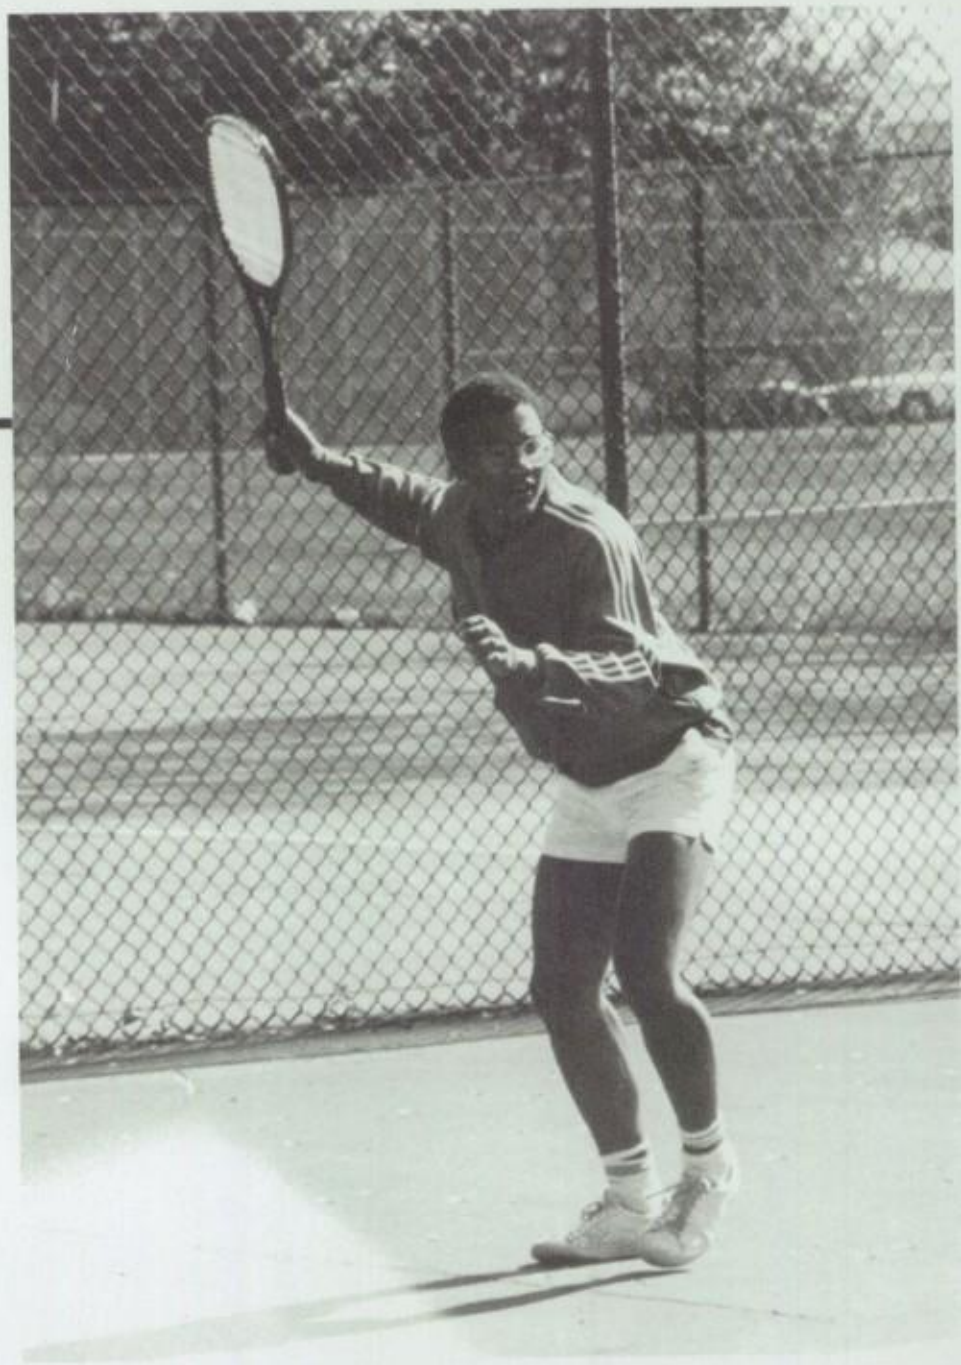
TENNIS



TEAM NEEDS UPPER CLASSMEN

The Tennis Team, coached by Fr. Walter McNicholas, O.S.A., ended a disappointing season with an 0-12 record over all, and an 0-6 record in the Catholic League.

"The lack of leadership as well as participation by upperclassmen proved to be the problem with this year's team," said Fr. McNicholas. "Mostly because tennis is not a major sport at St. Rita."

Although the team had a disappointing season, Coach McNicholas is looking forward to the future the team has with the returning freshmen Frank Lopez, Nick Mouraias, Lee Jackson, Jeff Bagdon and Jim Lasky. "They show great promise and hopefully this summer's Park District Competition will help develop their talent. The team's members have worked well together during the '85 season and with returning team members' confidence, the '86 season looks promising," said Fr. McNicholas.
